

# Pet Tech: Gadgets To Help Improve Your Pet's Life

**Over 67% of Americans own a pet.**

It's no wonder that technology has evolved within the pet industry! From health care to entertainment to safety, pet gadgets are a great way to improve the life of your forever friend.

1

## **Health & GPS Tracker**

This collar tracks your pet's exact location, activity levels and health.

2

## **Treat-Tossing Pet Monitor**

This gadget improves remote visual communication and rewards pets on your command.

3

## **Electronic Pet Door**

Makes your home more secure with this device that opens automatically with a special collar.

4

## **Automatic Litter Box**

No more dirty litter box! This box immediately separates waste from clean litter and places it in a separate drawer or filter.

5

## **Smart Feeder & Water Fountain**

This feeder measures the correct food portion and dispenses up to a gallon of running water.

6

## **Laser and Fetch Toys**

Now you can increase the physical activity and play time with these high-tech toys.

**1 IN 3 PETS** will need emergency veterinary care every year
